

# Come home to a traditional family Christmas

**D'ORSOGNA**

SINCE 1949

There's nothing quite like the quality, taste and tradition of D'Orsogna gourmet products to bring families together. Since 1949 when the D'Orsogna brothers first used their Italian family's centuries-old recipes to produce delectable smallgoods in Western Australia, the name and distinctive taste have become a much loved part of good living and special times. From humble beginnings and a proud heritage, D'Orsogna's irresistible cured meats and smoked hams are now enjoyed across Australia.

It simply wouldn't  
be a family  
Christmas without  
D'Orsogna!
